Subject: - For termination of Service for DRP (District Resource Person) under PMFME Scheme.

Dear All

As you are aware that scheme has rapidly progressed in the last few months of **FY 2022-2023** many enterprises/units has availed the benefits under the PMFME Scheme, but still it can be figured out that many of the DRPs (**1311**) have not generated a single application under the scheme.

As DRPs role is to mobilize the application and get it sanctioned by the bank for the smooth functioning of the scheme, the State Nodal Agency has taken the decision that, DRPs should generate at least **5 applications** till **30.4.2023.**, those DRPs who will fail to generate the application may be terminated from the service of DRPs under the scheme without any further notice.

Regards

Vivek Ranjan Maitrey
